

Ski levels related to 'UK Snowsports Awards'	
Level 0	You're a complete beginner and have never put skis on before
Level 1	You've perhaps skied once but have not really mastered a snowplough
Level 2	You can perform basic plough turns on beginner slopes
Level 3	You can perform robust plough turns on blue runs and have used a chairlift
Level 4	You've started to match the skis parallel and sideslip on blue runs
Level 5	Your skis are parallel most of the time and you've skied red runs
Level 6	You can comfortably ski parallel on red and easy black runs
Level 7	You can ski any piste and can make small rhythmic parallel turns
Level 8	You're confident skiing all pistes and like the challenge of bumps or off-piste
Level 9	You're a true all-mountain skier and perhaps want to become an instructor
